

CAREER SUMMARY

To get a challenging position where I can improve and upgrade myself and use my knowledge to give significant growth to the organization.

PROFESSIONAL SUMMARY

Software Engineer with 4+ years of experience in designing and developing scalable web applications using C#, .NET Core, ASP.NET MVC, Web API, Angular, and Microservices architecture. Strong expertise in building high-performance APIs, optimizing SQL queries, and resolving production issues. Proven ability to deliver reliable solutions in Agile environments.

TECHNICAL SKILLS

Languages	: C#.NET
Web technologies	: ASP.NET, Asp. Net MVC, Web API, Net Core, Angular, Web Jobs, CSS, HTML, Typescript, Microservices.
Databases	: SQL-Server 2019, SQL-Server 2017
IDE	: Visual Studio.NET 2017, 2019,2022
Operating Systems	: Windows OS Family
Report Tool	: Crystal Reports
Web Servers	: IIS 10.0

PROFESSIONAL EXPERIENCE

Software Engineer | [Infor.Inc](#)

Feb 2024 – Present

Project: PLM Optiva

- Developed and enhanced core modules including Specification Management and Workflow Approvals, improving system functionality.
- Designed and implemented RESTful APIs using ASP.NET Core and integrated with Angular frontend.
- Optimized SQL queries, stored procedures, and views, improving application performance.
- Debugged and resolved production issues, ensuring system stability and minimal downtime.
- Collaborated with QA and product teams to deliver high-quality features in Agile sprints.
- Participated in deployment activities and provided production support.

Project: Learning Management System (LMS)

- Enhanced LMS features, improved performance, and fixed critical bugs.
- Developed backend services, APIs, and integrated with frontend Angular components.
- Collaborated with cross-functional teams to ensure high-quality deliverables.

Software Engineer | [HCLTech](#)

Nov 2021 – Feb 2024

Project: Learning Management System (LMS)

- Developed backend services using C#, Web API, and Microservices architecture.
- Integrated third-party APIs, enhancing application capabilities and scalability.
- Designed and implemented database components including tables and stored procedures.
- Improved application performance through debugging and optimization techniques.
- Actively contributed to all SDLC phases including design, development, testing, and deployment.
- Worked in Agile environment ensuring timely delivery of features and bug fixes.

PERSONAL SKILLS

- Proactive, highly motivated, and committed with a strong work ethic.
- Quick learner, able to rapidly grasp new concepts and technologies.
- Capable of working independently as well as collaboratively in a team environment.
- Strong decision-making and problem-solving abilities.

EDUCATION

B. Tech in Electronics and Communication Engineering (ECE) from Siddhartha institute of science and Technology affiliated to JNTUA (2017-2021).

PERSONAL PROFILE

Date of Birth	: 04 Dec 1999.
Languages Known	: English, Telugu, Tamil
Marital Status	: Single
Nationality	: Indian
Permanent Address	: 1-70A, Sandhu Street, Kakadu(v), Nagari(M), Chittoor(D), AP-517590.

DECLARATION

I, Rasi Padarthi hereby declare that the above information is true and correct to the best of my knowledge and belief. This is for your kind consideration and perusal.

Place:

Sincerely,
(Rasi Padarthi)
